## BAR AND GRILL

“I drink champagne when I’m happy and when I’m sad. Sometimes I drink it when I’m alone. When I have company, I consider it obligatory. I trifle with it if I’m not hungry and drink it when I am. Otherwise, I never touch it – unless I’m thirsty.”

#### Peggy's Margarita

40

*Experience the essence of the high-altitude Rancho "Los Nopales" with Peggy's Margarita. This cocktail is a symphony of flavours, featuring the exclusive Ocho Blanco Tequila from the 2017 vintage, a spirit distilled from agave plants that were 6 years and 9 months old at harvest. This is the first time in 35 years that this land, nestled at 2070 meters and bordered by wild prickly pear cactuses, has been used to cultivate agave.*

*The tequila's unique character is enhanced by the addition of Cointreau and freshly squeezed lime, creating a vibrant and refreshing drink. A final touch of black sea salt adds an unexpected twist, elevating this cocktail to new heights.*

*Peggy's Margarita is more than just a drink, it's a journey to the heart of Mexico. Enjoy the ride!*

#### Cool-Cumber

36

*Encounter the essence of freshness with this beautiful Monkey 47 gin gimlet. This cocktail is inspired by the green landscapes of the Byron Bay hinterlands, using freshly squeezed cucumber juice and lemon sourced locally. Combined with the beautiful St- Germain elderflower liqueur hailing from third generation distiller Robert J. Cooper.*

*St-Germain elderflower liqueur is a beautiful French liqueur first launched in 2007 distilled from freshly handpicked elderflowers picked in the late spring harvest. It is inspired by Paris and its iconic quarter St-Germain-des- Près.*

*This cocktail brings luxury and coolness to the classic gimlet. The perfect apéritif to any occasion.*

#### Diplomatico Old Fashioned

39

*Indulge in the rich flavours of our Diplomatico Old Fashioned. This cocktail features Diplomatico rum, an exclusive blend of rum reserves that has been masterfully crafted to perfection. The rum is characterised by enticing aromas of orange peel, toffee, and liquorice, which contribute to its signature smooth taste.*

*The rum is thoughtfully mixed with sugar and bitters, creating a harmonious balance of flavours. A mist of sweet orange adds a fragrant layer to the cocktail, enhancing its complexity and appeal.*

*The Diplomatico Old Fashioned is not just a cocktail, it's a luxurious experience that invites you to savour the finer things in life. Indulge in riches!*

#### Champagne Grower

We love Grower Champagne mainly because it's delicious but also for its unique ability to capture both the essence of its terroir and the spirit of its maker. Unlike the champagne from well-known houses, grower champagne is usually made by small-scale vigneron who are deeply committed to their land and tiny vineyards. Consider Grower Champagne as the farmers market tomato rather than the tomato bought at the supermarket – there's just some magic about it.

### Semillon

---

Hunter Valley's sweetheart – Semillon – is sadly often overlooked in favour of better-known grape varieties like Sauvignon Blanc. If you like your white wine young, fresh and light, Semillon might be right up your alley. If you prefer something with a little more body, weight and richness then go for something with a little more age.

#### Radikon, Friuli, Italy

The late Stanko Radikon was a force of nature: determined, rebellious and intense – much like his wines. His legacy is now continued by his son Sasa who continues to produce truly esoteric, textural and robust wines using ancient production techniques that allow him to almost entirely forgo the use of sulphur. These wines are not for the faint hearted and are considered benchmark natural and orange wines – they're the old-school of the new school (that's actually the oldest school) and have maintained a cult following among wine nerds and new converts to 'orange wine'.

#### Bindi, Macedon Victoria

Michael Dhillon is widely regarded as one of Australia's finest producers of Chardonnay and Pinot Noir. His deeply thoughtful and pensive personality is reflected in the precision, purity and elegance of all his wines. The winemaking philosophy at Bindi is low intervention which allows the beautiful fruit to shine through. We are fortunate to be able to feature a fine selection here and strongly encourage you try one of these wines if you haven't had the pleasure before – we love them.

### Wine maker focus – Ariana Occhipinti

You may have noticed plenty of Italian wines featured throughout our list. Drinking Italian wine in Australia just makes sense to us. These wines tend to be built for food and enjoyed simply with friends in relaxed circumstances. They are perfect for our climate and lifestyle. While we'll happily traverse every Italian region, it is Ariana Occhipinti in the South of Italy who has truly stolen our hearts. Her wines and the philosophy that informs them weave a powerful sense of place.

*"Respect the wine as if it was a person. A person who takes with him/her, a world, a history, an atmosphere. And it tastes like the land where it was born from. Mine is not just an organic wine. It is a natural wine as I think about myself, that's how I am."*

Don't be perturbed by having to pronounce the Italian names below – you can point and choose – it would be a shame to miss these wines that are bright, delicious, and expertly hand-crafted. Frappato is the hero grape variety here which is characterised by its fresh red berries and spice – mid-weight and medium to low tannins.

### Artisanal Mezcal

Mexico

30ml

Depending on who you ask, bartenders and cool kids were turned onto mezcal in the early 2000s as they considered it to be more soulful, cultural and authentic than mass produced tequila. Unlike tequila - which is only made from blue agave - mezcal is made from several different species of Agave such as tobalá, tobaziche, tepeztate, arroqueño and espadín. The agave is roasted in underground pits with burning wood then distilled which adds a very distinct sweet and smoky characteristic that is truly unique and can vary intensely from one batch to another.

### Tequila

Mexico

30ml

Tequila is technically a particular type of mezcal – just like scotch and bourbon are types of whiskey. While once relegated to the world of shots, tequila has long since left its party reputation behind. Tequila now encompasses a range of amazingly complex spirits made from the blue agave plant. Tequila comes in three varieties that we feature below: blanco (silver or plato/0-2 months), reposado (2-12 months) and anejo (1-3 years).

Arette - Blanco   Reposado   Anejo   Extra Anejo	15   17   18   33
Arette – Fuerte	18
Ocho - Plato   Reposado   Anejo	18   19   20
Fortaleza – Blanco   Anejo	20   23
Siete Leguas D’Antano Extra Anejo	40
