Azure Classic Margarita

30

Experience the essence of the Jalisco region with Azure Margarita. This cocktail is a symphony of flavours, featuring the exclusive Arette Blanco Tequila. El Llano is one of the oldest distilleries in the region that still produces tequila. It is in the heart of the magical town Tequila. It is operated by the Orendain Brothers, descendants of one of the most recognized families in the tequila industry. In their distillery they use the extraordinary water from the wellsprings of the Tequila volcano.

The tequila's unique character is enhanced by the addition of Cointreau and freshly squeezed lime, creating a vibrant and refreshing drink. A final touch of black sea salt adds an unexpected twist, elevating this cocktail to new heights.

Azure Margarita is more than just a drink, it's a journey to the heart of Mexico. Enjoy the ride!

Azure Tommy's Margarita

40

Over 65 years ago the most authentic tequila was created. Based in Atotonilco el Alto in Jalisco, Mexico, the inspiration for Siete Leguas came in the form of revolutionary Pancho Villa and his famed horse, who galloped "7 Leguas" or 21 miles. One of his many followers was Don Ignacio Gonzalez Vargas, and with devotion, named his tequila after Pancho Villa's horse. Today the Gonzalez de Anda family and its 7 members continue their fathers, Don Ignacio Gonzalez Vargas' legacy with one of the traditional methods of creating tequila. 7 Leguas is still one of the oldest Mexican distilleries and is still family owned and operated.

Azure Tommy's Margarita is the picturesque classic cocktail complimented by fresh lime juice and agave syrup.

Bird's of Isle Old Fashioned

37

Indulge in the rich flavours of our Bird's of isle Bunya nut rum old fashioned. Bunya nuts are native to Bunjalung Country-Northern rivers, and Bird's of isle is the first distillery to use them in a spirit. They are not commercially grown, which means they are limited by what nature grows each year. Bird's of Isle was launched at the end of 2023 in Murwillumbah which is 40minutes from the resort by two females who are leading the way in crafting sophisticated rum, changing Australia's notion of rum and how we can enjoy this beautiful spirit.

The nuts are sustainable hand-foraged from Bunya Pine trees. The shells are removed, and flame torched. The nuts are gently oven-roasted and then co-macerated in the rum. A unique process that creates a beautifully crafted rum with notes of burnt sugar, anise spice, gentle smoke and roasted nuts.

The Bird's of Isle Old Fashioned is not just a cocktail, it's a luxurious experience that invites you to savour the finer things in life. Indulge in riches!

Champagne Grower

We love Grower Champagne mainly because it's delicious but also for its unique ability to capture both the essence of its terroir and the spirit of its maker. Unlike the champagne from well-known houses, grower champagne is usually made by small-scale vigneron who are deeply committed to their land and tiny vineyards. Consider Grower Champagne as the farmers market tomato rather than the tomato bought at the supermarket – there's just some magic about it.

Whether you call it orange, skin contact or amber wines it's still the same delicious wine and not only for the hipsters and the cool kids. Skin contact wine is essentially white wine that has turned orange because of the grape juice being allowed to stay in contact with the grape skins (macerate), from as little as a few days or up to a year. This gives the wine a fuller body, tannic structure, and depth of colour. These wines are sure to amaze and excite.

Winemaker focus – Ariana Occhipinti, Sicily, Italy

You may have noticed plenty of Italian wines featured throughout our list. Drinking Italian wine in Australia just makes sense to us. These wines tend to be built for food and enjoyed simply with friends in relaxed circumstances. They are perfect for our climate and lifestyle. While we'll happily traverse every Italian region, it is Ariana Occhipinti in the South of Italy who has truly stolen our hearts. Her wines and the philosophy that informs them weave a powerful sense of place.

“Respect the wine as if it was a person. A person who takes with him/her, a world, a history, an atmosphere. And it tastes like the land where it was born from. Mine is not just an organic wine. It is a natural wine as I think about myself, that's how I am.”

Don't be perturbed by having to pronounce the Italian names below – you can point and choose – it would be a shame to miss these wines that are bright, delicious, and expertly hand-crafted. Frappato is the hero grape variety here which is characterised by its fresh red berries and spice – mid-weight and medium to low tannins.

Artisanal Mezcal

Mexico

30ml

Depending on who you ask, bartenders and cool kids were turned onto mezcal in the early 2000s as they considered it to be more soulful, cultural and authentic than mass produced tequila. Unlike tequila - which is only made from blue agave - mezcal is made from several different species of Agave such as tobalá, tobaziche, tepeztate, arroqueño and espadín. The agave is roasted in underground pits with burning wood then distilled which adds a very distinct sweet and smoky characteristic that is truly unique and can vary intensely from one batch to another.

Tequila

Mexico

30ml

Tequila is technically a particular type of mezcal – just like scotch and bourbon are types of whiskey. While once relegated to the world of shots, tequila has long since left its party reputation behind. Tequila now encompasses a range of amazingly complex spirits made from the blue agave plant. Tequila comes in three varieties that we feature below: blanco (silver or plato/0-2 months), reposado (2-12 months) and anejo (1-3 years).

Azulejos - Blanco Reposado Anejo	16 19 21
