What's not to love about Pink Champagne? This wine is dry, racy and totally moreish. Billecart Rose is the ultimate romance wine – if you haven't tried it before we suggest you waste no further time.

Champagne Grower

We love Grower Champagne mainly because it's delicious but also for its unique ability to capture both the essence of its terroir and the spirit of its maker. Unlike the champagne from well-known houses, grower champagne is usually made by small-scale vigneron who are deeply committed to their land and tiny vineyards. Consider Grower Champagne as the farmers market tomato rather than the tomato bought at the supermarket – there's just some magic about it.

Foradori is a renowned biodynamic winery in Trentino-Alto Adige, Northern Italy, originally led by Elisabetta Foradori and now guided by her son Emilio. Famous for reviving the native Teroldego grape, the estate is a benchmark for natural, terroir-driven wines.

Located in Mezzolombardo, in the heart of the Campo Rotaliano at the foothills of the Dolomites, Foradori benefits from deep alluvial soils and a cool alpine climate—ideal for crafting vibrant, site-expressive wines.

Artisanal Mezcal

Mexico

30ml

Depending on who you ask, bartenders and cool kids were turned onto mezcal in the early 2000s as they considered it to be more soulful, cultural and authentic than mass produced tequila. Unlike tequila - which is only made from blue agave - mezcal is made from several different species of Agave such as tobalá, tobaziche, tepezate, arroqueño and espadín. The agave is roasted in underground pits with burning wood then distilled which adds a very distinct sweet and smoky characteristic that is truly unique and can vary intensely from one batch to another.

Tequila

Mexico

30ml

Tequila is technically a particular type of mezcal – just like scotch and bourbon are types of whiskey. While once relegated to the world of shots, tequila has long since left its party reputation behind. Tequila now encompasses a range of amazingly complex spirits made from the blue agave plant. Tequila comes in three varieties that we feature below: blanco (silver or plato/0-2 months), reposado (2-12 months) and anejo (1-3 years).
